RAHUL

has successfully completed the online, non-credit Professional Certificate

Google IT Support

Whether you've been tinkering with IT or are completely new to the field, you've come to the right place. This five-course certificate, developed by Googlers, includes industry-relevant curriculum designed to prepare you for an entry-level role in IT support. Think in-person or remote help desk work, either in small shops or at a global company, like Google!

A faint watermark of the Google logo is visible in the background, showing the 'G' shape and the word 'Google' next to it.
